

Handsome Crochet Dog Sweaters

I am a second year veterinary student at Michigan State University, and I do this because I love to crochet and it helps pay for groceries. I guarantee that my sweaters will fit to a T and can be made for a Chihuahua all the way up to a Great Dane. I cannot emphasize enough that these sweaters are custom in color, size, and pattern for every dog.

Prices (based on chest measurement and for one color)

- up to 15in-\$20
- 15 to 25in-\$30
- 25in+ -\$40

Each additional color yarn, add \$3

Price includes S/H for continental U.S.
